If you cannot purchase online, tickets will be available from **Area A FRIDAY 13th 8am-9am** and at the door on the night - we prefer pre purchase to ensure we have catering numbers and to avoid congestion at the door on the night.

ON THE NIGHT

We will have popcorn, lollies, poppers and water available on the night ranging from $1-4 inside the hall for your child to purchase, please send them along with cash. Please also make sure your child has pockets or a bag to put their change in. Students will not be permitted to leave the hall unless going home with an adult. We will have tables set up at the edge of the hall for parents to sit. We do ask that parents stay seated so that our volunteers and teachers are able to supervise the students, and the main area doesn't become too congested, we hope you understand these rules and enjoy the disco. We may also have seating set up outside the hall for parents (weather permitting).

FOOD OPTIONS

We will have the following food options available – it is up to your child to ask for the option they want when collecting their food on the night (students with a specialty food choice have a different coloured wrist band).
